

SQUEEK

116

AUTOMATIC DISHWASHING DETERGENT

SQUEEK is a concentrated liquid dishwashing compound with a high level of active chlorine for effective destaining. Ideal for various establishments like cafeterias and hospitals, it leaves dishes sparkling clean and spot-free, especially when used with **BEAM** rinse aid. Its unique formulation includes a potent detergent booster for comprehensive cleaning, making it suitable for a wide range of kitchenware.

ITEM	QUANTITY	CONTAINER	PER	UPC
116004	4	1-Gallon	Case	653373011625
116005	1	5-Gallon	Pail	653373011632

READY-TO-USE

FEATURES AND BENEFITS

UNIQUE DETERGENT FORMULATION - Proprietary formula with an active destainer that cuts through tough grease, delivering spot- and streak-free results while saving time and labor.

DETERGENT BOOSTER - Enhances cleaning power by breaking surface tension on soil and grime, making it easy to remove.

ECONOMICAL - Highly concentrated for efficient use at high dilution rates, helping stay within budget for dietary departments.

COMPREHENSIVE CLEANING - Delivers outstanding results on dishes, glasses, silverware, stainless steel tableware, as well as pots and pans, offering versatile cleaning across kitchenware.

DIRECTIONS

For best results add **SQUEEK** at a rate of ½ ounce per gallon of water through the automatic pumping system.

Use at a rate of 1 ounce per gallon of water for areas with extremely hard water and more challenging wash loads.

NOTE: HIGHLY ALKALINE. DO NOT USE ON ALUMINUM OR GALVANIZED METALS.
